

CORONAVIRUS FAMILY RELIEF FUND

Making a Difference Together

Mattie Miracle donated \$12,000 to Children's Hospital at Sinai, to establish the Coronavirus Family Relief Fund and to provide technology equipment to help connect families during this challenging time. The psychosocial issues and needs for children with cancer and their families are greater than ever and together we are making a difference.

Psychosocial Support During the Pandemic:

1. Our **Coronavirus Family Relief Fund** is providing \$500 to \$1,000 grants to families in need of financial support. These grants are paying bills and other vital living expenses in order to ease the psychosocial stresses for families with children who have cancer.
2. Our **Mobile Secure Tablet Stands** have allowed the Child Life team to efficiently provide socialization and communication resources to children and families. The stands can be wheeled into hospital rooms so children can communicate through tablets with loved ones via Zoom, participate in sing-a-longs with musicians, and play Hospital Bingo.
3. Our **Lovebox Spinning Heart Messenger Boxes** have been a lifesaver for patients. For example, one patient has been at the Hospital for months without a caregiver at the bedside. The Heart Box connects the patient to family, provides comfort, and allows the patient to feel consistently supported during this time of great isolation.
